The office hours are on campus. If you can't come to my office, you can try to connect with [Microsoft Teams](#) (sip:r.g.k.m.aarts@utwente.nl). Note that I may not notice immediately when somebody is calling while I am talking to students in my office.

If you prefer to arrange a one-to-one meeting at a different time, don't hesitate to contact me for an appointment. I am usually in the office from 08:30 until shortly after 17:00, except during lunchtime, usually 12:00-12:30. The times mentioned above have been reserved for questions about these courses. At other times I can of course be busy with other appointments.
