

Jan L M Hensen

Eindhoven University of Technology
Building Physics and Services
P.O. Box 513 – Vertigo 6.18
5600 MB EINDHOVEN, Netherlands

j.hensen@tue.nl

Education

Dr. (equiv. Ph.D.), Building Science, Eindhoven University of Technology	1991
Ir. (equiv. M.Sc.), Building Science, Eindhoven University of Technology	1981

Research expertise and interest

Computational modeling and simulation for optimizing design and operation of high-performance buildings in terms of (renewable) energy use and indoor environmental quality

Professional appointments

Emeritus full professor, Building Performance, Eindhoven University of Technology, www.tue.nl/en/research/researchers/jan-hensen/	2019 – date
Full professor, Mechanical Engineering, Czech Technical University in Prague, cvut.cz usermap j.hensen	2002 – date
Full professor, Building Performance, Eindhoven University of Technology; 2014 – 2019 scientific director post-master PDEng program Smart Buildings & Cities; 2011 – 2017 theme leader Energy in the Built Environment, Eindhoven Energy Institute; 2005 – 2013 head of unit Building Physics & Services; 2001 – 2006 director of research, Centre for Building & Systems TNO-TU Eindhoven	2002 – 2019
Associate professor, Building Science, Eindhoven University of Technology	2000 – 2002
Associate professor, Mechanical Engineering, Czech Technical University in Prague	1999 – 2002
Senior lecturer, Mechanical Engineering, University of Strathclyde, Glasgow	1997 – 1999
Lecturer, Mechanical Engineering, University of Strathclyde, Glasgow	1993 – 1997
Assistant professor, Building Science, Eindhoven University of Technology	1991 – 1993
Research fellow, Building Science, Eindhoven University of Technology	1986 – 1991
Research scientist, TNO Institute of Applied Physics, Delft	1981 – 1986

Awards and honors

Honorary professor in Building Physics Research, Institut Teknologi Bandung, Indonesia	2022
Distinguished Achievement Award, International Building Performance Simulation Association - IBPSA	2019
Honorary professor in Architectural Science, University of Sydney, 3 months	2018
Gold Medal, Dutch Society for Building Services – TVVL	2015
Fellow, International Building Performance Simulation Association – IBPSA	2013
Fellow, Federation of European HVAC Associations – REHVA	2012
Affiliate scientist, Lawrence Berkeley National Laboratory, 6 months	2011
Velux visiting professor, Danish Technical University, 3 months	2010
Distinguished Service Award, American Society of Heating, Refrigerating and Air-Conditioning Engineers - ASHRAE	2009

Professional Award for Achievements in Science, Federation of European HVAC Associations – REHVA	2009
Fellow, American Society of Heating, Refrigerating and Air-Conditioning Engineers - ASHRAE	2008
Visiting professor, Kyoto University, 2 months	2007
Czech Air-conditioning and Ventilation Award, Society of Environmental Technology, Prague	2006
Visiting professor, Federal University of Santa Catarina (Brazil), 3 months	2006
Fulbright senior scholar, Georgia Institute of Technology, Atlanta, 3 months	2003
B.J. Max Award, Dutch Society for Building Services – TVVL	2002
CTU team award for innovation in research and teaching, Czech Technical University in Prague, (also in 2001)	2002
Visiting scientist, Korean Institute for Energy Research, 3 months	1996

Publications

Scientific journal papers:	142	h-index: 48 (Web of Science)
Books and chapters:	17	54 (Scopus)
Papers in conference proceedings:	332+47	68 (Google Scholar)
Professional journal articles:	146	orcid: 0000-0002-7528-4234

Bibliographic details of all my publications are in [Appendix 1](#). The vast majority of these publications are open access online; via e.g. [Scopus](#) or [Google Scholar](#)

Teaching and academic supervision

Developed and taught courses:

- Introduction to building performance simulation
- Capita selecta of building performance simulation
- Building performance and energy systems simulation

Academic supervision:	Total	Completed	In progress
Doctoral candidates	46	37	9
MSc thesis research students	198	191	7

Bibliographic details of the respective theses are in [Appendix 2](#).

Professional memberships and service to profession

Expert evaluator of research proposals/ projects; see [Appendix 3a](#)

Peer reviewer of manuscripts for scientific journals; see [Appendix 3b](#)

External PhD examiner at various universities; see [Appendix 3c](#)

Int. Journal of Low Carbon Technologies, editorial board member	2009 – 2018
Building and Environment; editorial board member	2008 – 2018
Journal for Building Performance Simulation; founding co-editor in chief	2007 – date
Energy and Buildings; editorial board member	2005 – date
International Building Performance Simulation Association –	2001 – date
Netherlands + Flanders chapter (IBPSA-NVL); 2001 – 2006	
founding president; 2006 – 2011 board member; 2012 – 2016	
president	
Netherlands Association for Computerization in Building and Installation Technology (VABI); 2000 – 2006 board member; 2006 – 2009	2000 – 2009
president	
International Building Performance Simulation Association (IBPSA);	1993 – date
1999 – 2006 vice-president; 2006 – 2010 president; 2010 –	

2015 board member; 2016 – date member of several board committees	
American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE); member of several technical committees; 2020 – date: Distinguished Lecturer	1992 – date
Dutch Society for Building Services (TVVL); 2000 – 2010: editorial board member; 2008 – 2011: technical council member	1992 – date
