

Session 1

Plan for your own teaching practice

Acceleration plan
Educational innovation
with ICT

educator's professionalisation

Name:

For which course or module do you want to use digital peer feedback?

Describe one assignment you're going to use peer feedback with.

Assignment

Purpose of the assignment

Timing in the course

Organisation of peer feedback (during the session/own time, individual/in groups, how often will assessments be carried out, etc.)

Category and/or criteria used

As a lecturer, what is your role in the peer feedback process?

How will students benefit from the use of peer feedback?

What value does *digital* peer feedback add?

How will you benefit from the use of peer feedback?

What value does *digital* peer feedback add?

What specific questions do you have about implementing peer feedback in your course/module?
